

# V-Rack Wall Mounted Bike Rack

---

**Single V-Rack (1-Bike)**

**Double V-Rack (2-Bikes)**

The V-Rack Class A Vertical Bike Rack offers secure, stable, compact parking for indoor bike rooms.

Quality made from thick welded steel, the V-Rack attaches to the wall, supporting the bike in an upright position while allowing the frame and at least 1 wheel to be attached with a U-Lock or chain.

Black powder coat. Available in 1 or 2 bike versions.

Manufactured in Vancouver by Advantage.
